

ENVIRONMENTAL JUSTICE BRAINTRUST

**THE HON. JAMES E. CLYBURN, CO-CHAIR
THE HON. ALBERT R. WYNN, CO-CHAIR**

Health Disparities and the Environment

Friday, September 28, 2007

10:30AM– Washington Convention Center
Room 143B

Panelists to include:

- State Rep. Harold Mitchell (D-SC), Regenesis
- Dr. Sabra C. Slaughter, Medical University of South Carolina
- Dr. Judith Salley, Department of Biological Sciences, South Carolina State University
- Theodore M. Shaw, NAACP Legal Defense Fund
- Dr. Robert D. Bullard, Environmental Justice Resource Center at Clark Atlanta University
- Other invited participants

The purpose of the Braintrust is to identify environmental issues and to recommend strategies that will assist policy makers in the development of forward-thinking, comprehensive environmental policy that recognizes and fosters the unique relationship between environmental protection, human health, environmental justice and economic development.
