

ENVIRONMENTAL JUSTICE BRAINTRUST

HOUSE MAJORITY WHIP JAMES E. CLYBURN, CHAIR

Securing our Future: The Nuclear Alternative

Friday, September 26, 2008

10:30AM Washington Convention Center
Room 143C

Panelists to include:

- Bishop James L. Black, Center for Environmental & Economic Justice
- Mr. Robert Harris, Formerly with Pacific Gas & Electric Co.
- Mr. David B. Matthews, Nuclear Regulatory Commission
- Ms. Betina Chisholm Terry, Gulf Power
- Dr. Deborah Klein Walker, Past President of American Public Health Association
- Other invited participants

The purpose of the Braintrust is to identify environmental issues and to recommend strategies that will assist policy makers in the development of forward-thinking, comprehensive environmental policy that recognizes and fosters the unique relationship between environmental protection, human health, environmental justice and economic development.
