On Saturday, March 10, 2012, at Blackville-Hilda High School in Blackville, SC, the Medical University of South Carolina (MUSC), SE VIEW-DOD, South Carolina State University (SCSU), Savannah River Nuclear Solutions, U.S. Department of Energy, Blackville-Hilda High School and the Town of Blackville are sponsoring a one-day Technical Assistance Workshop for members of those communities that have participated in Community Leaders Institutes (CLI).

The program emphasizes essential “how-to” skills needed to prepare a “good” grant application. Experts will lead hands-on sessions in finding available grant funding agencies; planning, preparing and submitting a grant application; and establishing and using a 501(c)3 non-profit designation.

Overview

Progress requires informed and active leaders. The purpose of this Technical Assistance Workshop is to reinforce this principle and to emphasize the unique relationship between environmental protection, human health, environmental justice and economic development as an essential part of community development.
