Technical Assistance Workshop

September 28, 2013

Allen University
Math/Science Building, Gibbs 101
1530 Harden Street
Columbia, SC 29204

Sponsored by:

DOD-MUSC

Building and Sustaining Healthy Communities

Overview

On Saturday, September 28, 2013, at Allen University in Columbia, SC, the Medical University of South Carolina (MUSC), SE VIEW-DOD, South Carolina State University (SCSU), U.S. Department of Energy, and Allen University are sponsoring a one-day Technical Assistance Workshop.

The program emphasizes essential “how-to” skills needed to prepare a “good” grant application. Experts will lead hands-on sessions in finding available grant funding agencies; planning, preparing and submitting a grant application.

Technical Assistance Workshop

Progress requires informed and active leaders. The purpose of this Technical Assistance Workshop is to reinforce this principle and to emphasize the unique relationship between environmental protection, human health, environmental justice and economic development as an essential part of community development.
